Pilot Is Killed As Plane Hits High Tower Here

A light plane crashed into the tower of radio station WNBS at 12:10 today, killing the pilot L. V. Moyer, age 45, of Paducah, demolishing the plane and the radio station tower.

Mr. Moyer was killed instantly in the terrific impact when the twin engine Cessna struck the tower.

A call to the Ohio Valley Flying Service at Paducah, the firm which owns the plane, re-

The twin engine plane just a twisted wreckage. Photo by Ed Collie

700 WATT LIGHTS SET FOR SOUTH 12TH

Transportation Committee Is Appointed To Work With Group

Mayor Holmes Ellis last night named the Transportation Committee, which will work with a study group now making a transportation study in the city of Murray.

The Transportation Committee will be composed of Dr. Harry Sparks, Glenn Dorn, Joe Dick, James Johnson, Judge Hall McCullison, Mayor Ellis, Tom Hogan, Ronald Miller (state planner working with the city), Jack Gray of the First District Highway Office in Paducah.

The first meeting of this committee will be held next Wednesday.

The State Highway Department and the consulting firm of Mel Conner and Associates, Inc. of Florida are working together on the study.

Seen & Heard Around MURRAY

Senator Eugene McCarthy has shown his true colors as far as we are concerned. He jumped on President Johnson yesterday for being willing to spend \$30 billion a year on the Viet Nam war and less than a third of that on the poverty program.

He shows himself to be just another opportunist politician. He is saying what all the people who love to believe they are short changed, down trodden, disadvantaged, etc. want to hear and we can assure you there are votes among those short changed, down trodden, disadvantaged, etc. Of course LBJ and Bobby Kennedy also know this.

This points up what we have always maintained and that is the war on poverty is just so much political activity and nothing more, and the tax payer pays the bill.

We don't know whether we like these Junior Miss contests or not. We saw the Junior Miss of America at a football game the other night on TV.

This contest was probably prompted by the Miss America contest. This one apparently is successful which may lead to a Junior Junior Miss contest and even a Junior Junior Junior Miss contest.

Now writes Mrs. Robbie P. Hershe who was Robbie Farmer before (Continued on Page Eight)

John Gregory Class Agent For Centre College Fund Drive

John A. Gregory, Jr. of Murray has accepted appointment as Class Agent for the 1968 Alumni Fund campaign of Centre College in Danville, Ky.

Centre fund class agents each direct the drive within their respective class as a part of the general campaign which has a goal of \$120,000 by June 10.

The 1967 campaign closed in June with record totals of \$117,770 from 2,115 donors. The annual campaign is conducted by the Centre Alumni Association in order to raise unrestricted funds for the college. These funds are used by Centre for such purposes as to increase faculty salaries and to increase student financial aid.

Centre placed within the top five among the nation's small educational colleges in four major categories of alumni giving for the 1964-65 fiscal year. Centre ranked third nationally in total alumni donors to the fund, fourth in total alumni dollars, and fifth in categories of alumni gifts to the fund and total alumni gifts.

Centre, founded in 1819, is a four-year liberal arts college which completed last year a \$1,600,000 multi-purpose library building called Grace Doherty Library. It combines Centre's main library and most classrooms and faculty offices within a single four-level structure.

A new swimming pool called Bolea Natatorium is being completed now on the campus.

WEATHER REPORT

WEST KENTUCKY — Mostly cloudy through tonight. Partly cloudy west, and mostly cloudy east Saturday. Occasional rain this afternoon and tonight ending from the west late tonight and early Saturday. Chance of a few snow flurries north portion briefly before ending late tonight or early Saturday. Warmer this afternoon but turning colder Saturday. Highs this afternoon 36 to 42. Winds west-southwest 8 to 14 miles per hour. Lows tonight 32 to 36. Highs Saturday 32 to 36. Probability of rain about 80 per cent this afternoon and tonight decreasing to about 10 per cent west and 30 per cent east portions early Saturday. Outlook Sunday—Partly cloudy and continued cold.

Kentucky Lake, 7 a. m. 35.4, up 0.1; below dam, 31.9, up 0.7, 26 gates open.
Barley Lake, 7 a. m. 35.2, no change; below dam 32.0, no change, 8 gates open.

Ted Howard

Dairying Is Topic Of Rotary Talk

Ted Howard, Area Extension Service Specialist in Dairying for the Purchase Area was the speaker at the Murray Rotary Club yesterday. He was introduced by C. O. Bondurant.

Howard told the club that only six per cent of the nation's population was on the farm today (Continued on Page Eight)

Sp5 Harold Travis Wins Army Medal

U. S. ARMY, VIETNAM (AHT-NO) — Specialist Five Harold D. Travis, 20, son of Mr. and Mrs. John L. Travis, Route 1, Hardin, Ky., received the Army Commendation Medal Dec. 14 while serving with Headquarters Company, Special Troops, U. S. Army, Vietnam, near Long Binh, Vietnam.

Spec. Travis earned the award for meritorious service as a driver in the Personnel Section of the company.

Mrs. Harlan Hodges Will Be Guest Speaker

Mrs. Harlan Hodges, noted book reviewer from Murray, will be the guest speaker at the annual meeting of Ballard County Federation of Homemakers to be held on Thursday, January 18, at the Ballard County High School.

The Murray woman has dramatized more than one thousand book reviews for university, high school, civic, fraternal and church groups in Illinois, Kentucky, Tennessee, Washington, and Idaho. She has studied dramatics at Illinois College and the University of Colorado.

Mrs. Garner Giles, Ballard County president, will preside at the meeting to open at ten a. m.

Obie Jones Passes Away On Thursday

Obie L. Jones of Murray Route Four passed away Thursday at 3:15 p. m. at the Murray-Calloway County Hospital. He was 82 years of age.

Mr. Jones and his wife, Mrs. Bessie West Jones, celebrated their 61st wedding anniversary on December 27. Their only child, Mrs. Mavis Branch, died July 28, 1967.

The deceased was a retired farmer and at the time of his death was residing on the farm where he was born and reared.

Mr. Jones was a longtime member of the South Pleasant Grove Methodist Church. He was active in the Men's Bible Class and was an honorary member of the official board of the church.

Survivors are his wife; two granddaughters, Mrs. Ted Cunningham, 1601 Chalmers Drive, Murray, and Mrs. James L. Ewin of Murray Route One; son-in-law, Harrell Branch of Murray Route One; two great grandchildren, Teresa and Greg Cunningham; one niece, Mrs. Gingles Barnes of Murray; one nephew, W. E. Gup-ton of Royal Oak, Mich.

Funeral services will be held Saturday at two p. m. at the South Pleasant Grove Methodist Church with Rev. W. T. Jackson officiating.

Palbearers will be Vester Orr, Edward West, Haron West, Elud West, Paschal West, Joe D. West, Bert Taylor, and Ernie Warren.

Interment will be in the church cemetery with the arrangements by the Black-Coleman Funeral Home where friends may call.

Letter To The Editor

While driving home from Atlanta, Georgia last Sunday late, or early Monday, we stopped in Murray for gas at the Sinclair Station near the college on Highway 121.

The weather being what it was, shortly after we pulled out of the station and headed north on 121 right near a large white house on the right of the highway, we slipped on the ice and were struck for a short time.

My husband got out to push us back onto solid ground and I believe that is when he lost his watch. He had just gotten it for a Christmas present and it was (Continued on Page Eight)

Dr. Harry Sparks Is Speaker On Monday For Princeton Club

Dr. Harry M. Sparks, newly installed president of Murray State University, will be speaker at the Ladies Night dinner meeting of the Princeton Kiwanis Club to be held in the basement of the Ogdens Memorial Methodist Church, Princeton, on Monday, January 15, at 6:30 p. m.

The annual citizenship award to a man or woman contributing outstanding service to the community will be presented by the Princeton Club.

Dr. Sparks, Kentucky's superintendent of public instruction for the last four years, was appointed the fifth president of Murray State University on January 5. The board of regents unanimously chose Sparks to succeed Dr. Ralph H. Woods, who had been Murray's president for 22 years.

A native of Rockcastle County, Dr. Sparks started teaching in 1930 at the McDaniels Elementary School in Breckinridge County.

He was a teacher-coach at Breckinridge County High School from 1931-1934; superintendent of Irvington city schools 1934-1941, and principal of Russell High School from 1941-1944.

After service in the Navy, where he held the rank of lieutenant commander, Sparks became principal of Mayfield High School for one year, then joined Murray in 1948.

In 1952, he became head of the department of education and psychology at Murray State.

He holds a bachelor's degree from Transylvania College and master's and doctor's degrees in education from the University of Kentucky. In 1960-1960, he served as president of the Kentucky Education Association.

Grafted Pup Head Nips At Host's Ear

MOSCOW (AP) — A puppy's head grafted to an older dog's neck has developed the habit of nipping playfully at his host's ear, the Soviet news agency Tass reported today.

Tass reported Thursday that Dr. Vladimir Demikhov had grafted the head, horns, lungs and fore-legs of a 2-month-old dog to a 4-year-old mongrel named Mukhtar in Kiev on Tuesday.

After the head transplant, thanks to the presence of two nervous systems, the further control of the dog's head was different, Tass said.

Mukhtar's head was quiet... the puppy was very aggressive... several times it bit Mukhtar on the ear and the leg and reacted with interest to everything around it. "After the big dog was fed, both heads grew accustomed to their new position and finally fell asleep."

Fixtures To Be Hung Over Four Lanes; Said Ample

South 12th street will be well lighted according to City Councilman Leonard Vaughn, the council member of the Murray Electric Plant Board. He reported to the City Council last night the recommendation of the board for street lighting on South 12th from the Triangle Inn south to the Holiday Inn.

Vaughn told the council that presently there are nineteen 175 watt light fixtures along this four lane area. He recommended that these be replaced with twenty 700 watt light fixtures.

The manner in which the cost of such fixtures is handled is on an amortization basis. The city pays a fixed sum each year for the fixtures and in addition pays for the electric energy used.

On the present 19 fixtures the city pays \$120 per year plus \$117 each year for electric energy used. On the twenty new fixtures the city will pay a charge of \$200 per year with the energy charge being \$420 per year.

The lights will all be placed on the west side of South 12th street, the only side with poles. Long arms will allow the lights to hang over the street, thus providing more light on the street itself.

As a consequence, residents may wish to check the lights on Chestnut street which are 400 watt fixtures.

Mr. Vaughn said that he felt that it was the consensus of the board that these 700 watt fixtures would provide ample lighting of the four lane section.

Mr. Vaughn was also named as Mayor Pro-tem last night, having received the largest number of votes in the Primary Election last year.

He was named last night as the council member of the Murray Planning Commission. Mr. Vaughn's term on the Commission expires in 1970.

Puppies, four male and three female, are available to someone. Vaughn's term on the Commission expires in 1970.

James H. Shelton Fractures Ankle

James H. Shelton suffered a fractured right ankle when he fell on the ice Wednesday morning. Shelton was treated at the emergency room of the Murray-Calloway County Hospital and released. He will be confined to his home for about six weeks.

Shelton is with the Max H. Churchill Funeral Home.

FRIDAY — JANUARY 12, 1968

A CRISIS TO FACE

MURRAY and Calloway County face a crisis which promises no good for the citizens of this progressive area, unless it is successfully resolved.

Last year the United Fund goal of \$29,000 was not met with the result that over fifteen organizations suffered cuts in their approved budget requests.

This year budget requests to the United Fund were cut in order to hold the United Fund goal down to \$29,000, about the same as last year's goal.

It is our understanding that the current fund drive is lagging, in spite of the excellent organization of the drive by Don Overbey, Fund Chairman.

If the United Fund fails to make its goal this year and the same trend is followed next year, we can see a demise of the United Fund.

Before the United Fund organization was formed here in Murray, we had from ten to twelve drives each year. Each of these drives had a fund chairman and each of these drives had a host of workers or solicitors who collected money for the fund.

Murray merchants were literally "driven to distraction" by the many drives which got underway each year. There was a drive each month of the year.

This finally came to a halt when the United Fund was formed and most of the funds became a part of the United Fund. They agreed not to carry on a drive of their own and in turn the fund agreed to supply their budget requests.

The idea was for one drive to be made, one super-drive, in which the financial needs of all the agencies would be fulfilled. The full resources of the community, both city and county, would be marshalled, and funds would be raised for all agencies.

This would relieve the merchants of being constantly bothered for funds, much human effort could be saved, and everyone would have a good feeling of accomplishing a worthy cause with as little to do as possible.

This has worked well for several years, but as budgets of the various agencies began to swell because of inflation, increased activity brought about by growth, the war in Viet Nam, and other factors, the story began to change.

The United Fund goal stood around \$25,000 for several years and when it got appreciably above this figure, it became extremely difficult to raise. The goal of \$29,000 was raised two years ago when this high figure was named as the goal for the first time. It failed last year and is lagging this year, with the goal about the same.

Just what is the resolution to this problem?

First, we believe that more people should give to the United Fund; more residents, more citizens, should give.

It has been a well known fact that the advance gifts committee of the United Fund each year raises a great part of the annual goal with the contributions made by business and industry. Business and industry can not "carry" the United Fund. Contributions are needed from individuals.

Second, realistic contributions must be made. If a person gave a total of \$100 to ten drives before the United Fund was formed, then he should give at least \$100 to the United Fund, not \$20 or \$25 as is done in many cases. Some people cut their total giving by fifty per cent when giving to the UF, and some by more than that.

Third, the United Fund must be looked upon by every citizen as part of their personal responsibility. The people who volunteer their time and effort to this cause have "no corner on responsibility"; they are merely giving of their talents to make the UF work. And, fourth, people must give; \$29,000 or \$30,000 for the United Fund in Calloway County should be easily raised.

It would be tragic to see the United Fund organization fail in Murray and Calloway County. It would be tragic for several reasons. One is that this is the best method of carrying on these various drives. Another is, that if we go back to the old method of conducting individual drives, workers will be extremely difficult to come by, as well as the fund chairman and other drive leaders.

We do not believe that the people of Calloway County will stand by and see the United Fund fail. It is not the Murray and Calloway County way of doing things.

Since we are associated more directly with the Calloway County chapter of the American Red Cross, we know how badly this organization has been crippled by the United Fund's not meeting its goal last year, and it will be further if the goal is not met this year, and it will be further if we have to drop the Blood Bank program because of its reduced revenue. Efforts are underway now to raise funds separate from the United Fund in order to keep this valuable program for Calloway County.

Under the Blood Program every man, woman and child in Calloway County may receive all the blood they need in the event of an operation or accident, or for any other reason, at very economical rates, merely because Calloway County meets its blood quota twice a year. This holds true even if this resident is in California or any other state in the union.

As we said, we know the needs of the local Red Cross

chapter, with its budget increased because of the war in Viet Nam, but every other agency which receives funds from the United Fund is in the same situation. If funds are reduced, then their activity must be cut to stay "in the black".

When every agency receiving funds from the United Fund in Calloway County has to reduce its activity, then the progress which Calloway County is noted for, takes on a coat of tarnish which is unbecoming.

Quotes From The News

By UNITED PRESS INTERNATIONAL
WASHINGTON — Thirty GOP congressmen, urging former Vice President Richard Nixon to announce his candidacy now for the GOP presidential nomination.

"The coming campaign is so critical for our country that a forthright and vigorous Republican effort must begin now."

SAN FRANCISCO — Secretary of State Dean Rusk, explaining the United States' attitude toward the latest rumored peace feelers from North Vietnam:

"If it is a genuine peace move, there will be no problem in the United States. If it is something else, we must try again to find some other basis for peace settlement."

TEL AVIV, Israel — Sen. Jacob Javits, R-N.Y., suggesting that the United States supply Israel with sophisticated weapons because the Soviet Union has restored the prewar arsenal of the Arab countries:

"This bid of the Soviet Union for power in the Middle East must be met."

SALT LAKE CITY, Utah — Democratic National Chairman John Bailey, who will represent his party in the fall presidential election:

"There's no question that President Johnson and Vice President Hubert Humphrey will be the Democratic ticket."

A Bible Thought For Today

Blessed are the pure in heart: for they shall see God.
—Matthew 5:8

People who are phonies cannot know God. Only those whose motives, thoughts, emotions and desires are unmixt will see God.

Ten Years Ago Today

Mrs. Susan McCord, age 82, passed away at the home of her daughter, Mrs. Bernice Miller, on January 10.

Fire destroyed the farm home of Mr. and Mrs. Alfred Eugene Duncan on January 8. The fire also destroyed all the household furnishings and the family auto parked near the house.

Eight ministers from Murray and Calloway County met at Goshen Church for the monthly meeting of the Murray Ministerial Association. They were Hoyt Owens, T. A. Thacker, Paul Lyles, W. T. Thomas, W. L. Hill, Orval Austin, Lawrence Rickert, and Bro. Matthews.

A professional wrestling card will be presented at the Almo High School gym, sponsored by the PTA.

Twenty Years Ago Today

Mrs. Charles (Robbie) Lassiter returned to work at the County Extension office following a siege of poliomyelitis. She was stricken with infantile paralysis on September 12 and received initial treatment here in Murray. She was admitted to the Kossair Hospital in Louisville in October.

Directors elected to serve the Peoples Savings Bank for this year are A. F. Doran, R. H. Fawell, H. L. Houston, C. H. Jones, Lynwood Morris, J. A. Outland, L. D. Outland, George Ed Overbey, T. H. Stokes, and H. T. Waldrop.

In basketball New Concord beat Almo 44 to 37, Calvert City beat Kirksey 51-37, and Hazel beat Symonsia 60-34.

Miss Ruth Sexton has returned from Clermont, Fla., where she visited relatives.

had heard.

Nor does the privilege apply to a clergyman's general observations, unrelated to any specific admission of wrongdoing.

For example, a court law no reason why a minister should not give his opinion of the mental condition of a woman whose will was being challenged — an opinion based on long years of acquaintance with her.

But in most situations, the person understanding his failings to the spiritual adviser may count on a legal curtain of privacy. As one court put it:

"The human being does sometimes have need of a place of penitence and confession and spiritual discipline. When any person enters that secret chamber, civil authority turns away its ear."

A thought for the day: Scottish clergyman Norman Macleod said, "courage, brother, do not stumble, though thy path be dark as night. There's a star to guide the humble, trust in God and do the right."

On this day in history: Jefferson Davis met with an emissary of President Lincoln at Richmond, Va., to discuss peace terms.

In 1932, Mrs. Hattie Canaway, widow of an Arkansas congressman, became the first woman ever elected to the U.S. Senate.

In 1943, the Office of Price Administration ordered frankfurters made of meat and soybean meal.

In 1964, Communists rebels overthrew the government of the East African island of Zanzibar.

Social Security Check Will Be Thirteen Per Cent Bigger

(Editor's Note: Amendments to the Social Security law will mean substantially bigger monthly checks for millions of retired people and their dependents. Here are the details, in the second of five dispatches, written for UPI by the head of the Social Security Administration.)

By ROBERT M. HALL,
Social Security Commissioner
Written for UPI
WASHINGTON 879 — The new Social Security legislation provides for the largest increase in total cash benefits in the history of the program.

In the first full calendar year of operation, the new law will pay \$3.7 billion (16 per cent) more than the old law. Every beneficiary will get an increase of at least 13 per cent. The minimum benefit for workers retiring at 65 is increased from \$44 to \$56.

The new law provides even more substantial increases for people who become entitled to them in the future on the basis of average earnings higher than \$6,000, the maximum amount purposes under the old law.

If you are receiving monthly Social Security benefits, the amount you get will be increased by at least 13 per cent beginning early in March. You do not have to do anything to get this increase. It will come to you automatically.

For example, the monthly benefit of a worker whose average monthly earnings are \$300 will be increased from \$112.40 to \$127.10, and the benefit for a worker whose average monthly earnings are \$400 will be increased from \$135.90 to \$153.60.

As I said earlier, the amendments will in many cases increase future cash benefits even more than present benefits. They will do this by increasing the amount of earnings that can be counted toward benefits in a year from \$6,000 to \$7,900.

In future years, when a worker's average earnings covered by the law can reach \$7,800, a retired or disabled worker will get as much as \$218 per month, and family benefits can be as much as \$834.40. Counting \$7,800 a year for benefits can be quickly make a difference. Consider, for instance, a man aged 50 in 1958 who earns \$7,800 a year. If his earnings continue at this level until he retires at age 65, he will get a monthly retirement benefit of \$188.90—an increase of \$33.90 over the old law.

Peasants in the Britany section of France indicate by the placement of the ribbons their wide-brimmed hats whether they are single or married.

Mrs. Ada Chappell Dies On Thursday

Mrs. Ada Chappell, formerly of South 6th Street, Murray, died Thursday at 2:30 p.m. at the Parkway Convalescent Center, Paducah. She was 84 years of age. The deceased was the wife of the late A. G. Chappell who died November 8, 1959.

She was a member of First Baptist Church, Murray. Survivors are two daughters, Mrs. Marjorie (Bill) Perkins, 2212 Kentucky Avenue, Paducah, and Mrs. L. A. Tucker of Winona, Miss.; two sons, Mrs. Eyle Bland and Miss Ethel Perrell of Nashville, Tenn.; two brothers, George Perrell of White Bluff, Tenn., and Herman Perrell of Dyersburg, Tenn.; four grandchildren; seven great grandchildren.

Funeral services will be held Saturday at 10:30 a.m. at the chapel of the Max H. Churchill Funeral Home, Murray, with Dr. H. O. Chiles officiating. Interment will be in the Murray Cemetery with the arrangements by the Max H. Churchill Funeral Home where friends may call.

High quality rugs and carpets will yield shuff sometimes, but the amount of shedding does not amount to more than a small fraction of the weight of a rug in its whole lifetime.

Decorating News

By Edward Roberts

BREATH — TAKING — the word that best describes the winter "Furniture Market" in Chicago this week. Breath-taking because it was 13° below zero when I arrived, and because The Furniture Market is a splendor to behold. The newest styles, the best colors, combined with the latest in fabrics, all by the best designers in the country.

Color is getting brighter and brighter and almost any color seems to be good if it is used in the correct proportion. The warm colors, yellows, oranges, & reds are used most often. However, the cool colors of blue and green still rate quite well. In all style categories black and white, either solid or in patterns, remains popular.

The new stress on basic designs, with fresh detailing has wrought more changes in the upholstery category of home furnishings than any other group. Traditional styles show muted stripes, restrained florals and modest prints, lots of tone-on-tone patterns in elegant fabrics and the more luxuriant textures such as velvet. Shipments will soon be arriving at ENIX INTERIORS, and we shall look forward to having you shop our displays for the newest and best in furniture and accessories.

CONFIDING IN YOUR CLERGYMAN

"See your spiritual adviser."

That suggestion is often made to the man or woman in trouble — "Go talk things over with your spiritual adviser," is the conversation confidential, in the eyes of the law? Could a clergyman be ordered to testify in court as to what you said?

Or is this information "privileged" — that is, protected against public disclosure?

The common law, generally speaking, did not recognize any such privilege. Courts were reluctant to give up access to what could be a valuable source of information. Obviously, the more facts available to a court,

TIME OUT

by
GALE
GARRISON

How 'bout them Racers, they have won the first three OVC games they played! They only have to win eleven more to have a perfect record for the year.

Vernon "Butch" Edwards, star fullback of the Mayfield Cardinal football team, signed a scholarship with Memphis State Saturday afternoon.

This may not seem like real big news because there are several boys each year that get scholarships and grant-in-aids, but when you find out a little about the boy, it seems more like something big.

Butch played in the backfield in the 1964 season, and the 1965 season, but then was forced to stay out of school the entire 1966-67 year because of an operation on a bad disc in his back.

This would have stopped, or at least slowed down the average person, but not Butch. He not only came back and played football this year, he made a real season of it.

He was the rushing leader for Mayfield this past season, picking up a total of 1,302 yards in the 209 times he carried the ball, for an average of 4.9 yards per carry. He scored ten touchdowns and five extra points, for a total of 65 of Mayfield's points.

Butch was voted to the second teams on All-State selections, and made the All-W.K.C. team.

Several schools were after Butch, including Vandy, U.K., Murray State, Western, Tennessee, Old Miss., and the team he signed with Memphis State.

He is an "A" student, and plans to become a Chemical Engineer.

I think that the way he came back and played football, and made the grades he made, after missing a full year sounds like something that you would read about in a book. But this happened, and I am proud that he came from Western Kentucky.

Bobby Washington of Eastern Kentucky University, played an outstanding game in the Murray game played Monday night.

The little 5-11 junior guard from Lexington scored 18 points, hitting eight of his 17 attempts from the field, for a percentage of 47.1, and two of two from the line for a perfect night in that department.

But where he really looked good was in his defense, and the way he handled the ball for the Maroons.

During his high school playing years at Lexington Dunbar he earned all-state, all-region, all-district, played in Kentucky east-west and Kentucky-Indiana all-star games. He is majoring in Physical Education.

If Old Man Winter will hold off just a little, we might get back to getting a few basketball games played.

Games that are scheduled to be played are: Friday, Hickman County at Murray High, University School at St. Mary's, and Ballard at Calloway; Saturday, Calloway and Murray High will meet in a game to be played at the Murray State University Arena.

Coach Cal Luther Says The Real Test Is Still To Come

Despite his team's being on top of the Ohio Valley Conference with a 3-0 record, Coach Cal Luther says the real test for the Racers is yet to come.

"We play 7 of our next 8 conference games on the road," Luther said, "and we could very well be out of the race by then. I think the league is perhaps the toughest it has ever been and there's not a team in it that's not capable of beating you."

All three Racer wins—77-74 over Middle Tennessee, 83-67 over Morehead, and 71-67 over Eastern Kentucky—have been at Murray. The Racers will play at Tennessee Tech Saturday night, at East Tennessee Monday, at Austin Peay Jan. 20, and at Middle Tennessee Jan. 29 before playing at home Feb. 3 against Austin Peay. They will then take to the road again for games with Western Kentucky, Eastern, and Morehead. They will conclude the season with home games against East Tennessee, Tennessee Tech, and Western.

Luther says he has never been more pleased with a team than with the Racers in their last three games. "They could have lost all three if they hadn't shown so much desire, hustle, and courage," he said, "and they have really done a great job on defense. I've never seen a bunch with better team work. We've had great play from all five of our starters and some fine reserve help from Jim Stokes, Ron Rossmore, Harold Simmons, and Steve Riley."

Billy Chumbrer had another fine scoring night against Eastern with 21 points and has now raised his team-leading average to 18.8. Tom

Moran is averaging 19.2. Dick Cunningham 14.9, Claude Virden 13.0, Don Funneman 6.8, Romani 7.9, and Stokes 6.1.

Cunningham seems to have regained his rebounding touch after a slump immediately after Christmas and has pulled in 40 in the last two games. His season average is 17.6.

Luther called his team's first half defense against Eastern one of the best performances he had seen and credited Funneman and Moran with spearheading it. The Racers have held their opponents to 69.5 points a game this season, and only one team, Bradley, has managed to score 80 points against them.

Murray is averaging 77.1 points a game and 52.1 rebounds to its opponents 37.4. The Racers have hit 44.8 percent of their field goal attempts. Virden is the top percentage shooter with 55.6 and Romani the leading free-throw shooter with 89.3 percent.

Tennessee Tech, who beat Murray 67-60 for the OVC Tournament championship, has since lost 7 of 8 games and is 0-2 in conference standings, but that is of little comfort for the Racers—they haven't won a game at Tech since the 1954-55 season. The two Eagle conference losses were to Western and Middle Tennessee, both on the road.

East Tennessee established itself as perhaps the top contender for the league title Monday by beating Western at Bowling Green. In their only other conference game, the Buccaneers lost at Middle Tennessee. The Bucs have a 6-3 overall record.

HE'D LIKE TO CO-OPERATE—Woodfin Camp takes a look at this sign in Amarillo, Tex., and wishes he had reason to co-operate. The Panhandle Outdoor Advertising Company put up the billboard as a promotion stunt.

The shots were fired from those third-floor windows in background. At left is a school run by the St. Francis Convent.

TWO NUNS SHOT—Janet Lazarrus, 20, is taken in custody at Columbus, Ohio, in the sniper shooting of two nuns of St. Francis Convent. Victims were Sister Mary Leonard and Sister Mary Ricarda. Miss Lazarrus, a proofreader for a printing firm, has been mental patient off and on since 1964.

Dear Abby

She's Single at 57, Likes It That Way

By Abigail Van Buren

DEAR ABBY: Where does everyone get the silly idea that if a woman isn't married she is a lonely, miserable, sex-starved creature? I am 57 years old, could easily pass for 45, and I don't know a married woman I'd trade places with. I have four boy friends going at once, have a good-paying position, a home of my own, trade my car every other year, and I can do what I please with my own money.

I don't have to eat my heart out over a cheating husband, and I wouldn't have one around again on a full time basis for anything in the world. I am single by choice after having been married long enough to know what it's like. I like it better this way.

BORN FREE

DEAR BOB: I'll bet your boy friends like it better, too.

DEAR ABBY: I have been married for 26 years. During this time my mother has stolen several pretty dolls from my home. They have not amounted to very much — certainly not enough to make a fuss about, but it has been very difficult for me to remain silent when I see them in her home.

The latest item, however, is a dinner ring my husband gave me for my 25th wedding anniversary. If I still had it I would wear it only on special occasions, but my mother never takes it off her finger. Every time I see her wearing my ring it makes me sick and nervous. How can she be so heartless?

Wake Up Your PERISTALSIS And Be Your SMILING BEST

Peristalsis is the muscular action of your digestive system. When peristaltic action slows down, waste material can build up in the lower tract. You can become irregular, uncomfortable, stuffy. The unique laxative formula of today's Carter's Pills gives effective, temporary relief of the irregularity by activating the slowed-down muscles of the lower tract and stimulating peristalsis. So if you're sluggish due to irregularity, take Carter's Pills to wake up your peristalsis and you'll bounce back to your smiling best. Millions of satisfied users take Carter's Pills for effective temporary relief of irregularity. Why don't you, too?

How has the world been treating you? Unkind, unkind, unkind. Dear Abby, Box 69700, Los Angeles, Cal. 90069. For a personal, unpublished reply, inclose a self-addressed, stamped envelope.

Miss Jackie Doom Becomes Bride Of Jerry F. Trimble

Miss Jackie Doom became the bride of Jerry F. Trimble on December 22. The double-ring ceremony was performed by the bride's father, Rev. Jack Doom at Arlington Baptist Church.

The bride is the daughter of Rev. and Mrs. Jack Doom of Arlington. The groom is the son of Mr. and Mrs. Gerald Trimble of Hartsville.

A program of nuptial music was presented by Mrs. Joyce Dunn, vocalist and Mr. Danny Jennings, organist.

The bride party assembled before the altar which was decorated by a basket of white gladioli and greenery flanked on each side by two seven-benched candelabras with lighted white tapers.

The bride approached the altar in a street-length dress of white tulle. She wore a shawl, length of white tulle, escorted to a Queen Anne crown of ribbons and white crystals. Her only jewelry was a diamond pendant.

The bride carried a colonial bouquet of white carnations. Ribbons tied in love knots fell from the arrangement.

Mrs. Harold Jones, sister of the groom, was the bride's only attendant. She wore a street-length dress of pink knit. Her hand piece consisted of a white velvet bag.

Miss Jones wore short white gloves and carried a colonial bouquet of white carnations.

Mr. Trimble chose for his best man Harold Jones of Hartsville. Mark Doom, brother of the bride, lighted the candles.

The mother of the bride was seated in a two-piece navy and white knit dress with black accessories.

The father of the groom chose a white knit dress with brown accessories.

Immediately following the ceremony, the couple left for a short wedding trip. The groom has now returned to Fort Ord, California where he is stationed with the U.S. Army. The bride is residing at 2805 Washington in Paducah where she is employed in the district office of Life Insurance Company of Georgia.

DEAR DISGUSTED: I think your fiancé is being inconsiderate, and something less than gung ho about you. And unless he can explain his long silence, shoo him with indifference.

How has the world been treating you? Unkind, unkind, unkind. Dear Abby, Box 69700, Los Angeles, Cal. 90069. For a personal, unpublished reply, inclose a self-addressed, stamped envelope.

For Abby's booklet, "How to Have a Lovely Wedding," send \$1 to Abby, Box 69700, Los Angeles, Cal. 90069.

Judy Ray Hostess For Monday Meet Of The Beta Sigma Phi

The regular meeting of the Gamma Gamma Chapter of Beta Sigma Phi was held on Monday, January 8, at seven o'clock in the evening at the Social Hall on Ellis Drive with Judy Ray as hostess.

The meeting was opened with the members repeating the opening ritual together and the following members were present:

Martha, Lily-Mary Conner, Janet Dunlap, Sue Flood, Darlene Ford, Martha Garner, Barbara George, Pat Goodridge, Judy Hina, Janis Hogan, Suzanne McDougal, Marilyn Minnick, Sue Overby, Carolyn Parks, Judy Ray, Anna Requist, Veronica Ross, Carol Sika, Sylvia Thomas, Judy Wall, Linda Work, and Mary Ann Wren.

Two visitors were also present, Lillian Barham and Rowena Brumby, who will be transferring into the chapter.

The roll call and minutes were given by the secretary, Carol Sims, and Darlene Ford, treasurer, gave her report.

Plans were made for a potluck supper and card party to be held for the members and their husbands on January 20 at 6:00 p.m. at the home of Martha Allen on Seeland Drive. A discussion was also held concerning the Valentine's program for February 10 at the Holiday Inn.

Coffee Day will be observed on February 1, 1968 for the benefit of the Heart Fund. Each restaurant in town will be asked to participate in this event and all the money taken in for coffee on that day be given for the Heart Fund.

Veronica Ross was in charge of a program, entitled "The Connoisseur" and Sylvia Thomas presented "Pleasures of Possession". Each girl gave a very interesting talk on the subjects and a discussion was held among the members after the program.

After refreshments were served by the hostess, the meeting was adjourned with the closing ritual.

The next regular meeting will be held on January 22 with Anna Requist and Suzanne McDougal as hostesses.

SOCIAL CALENDAR

Friday, January 12

The North Murray Homemakers Club will meet at the home of Mrs. Charlie Crawford at 1:30 p.m.

Saturday, January 13

CHEESE IT

Cheese beans are made with 1 (9-ounce) package of frozen Italian green beans and three other ingredients. Cook beans as label directs; drain beans and stir in lightly 1/2 cup of grated cheddar cheese, 2 tablespoons of milk and a dash of salt. Makes 3 servings.

It takes about 2000 hand-picked coffee cherries to provide enough beans for one pound of roasted coffee. This is slightly more than the annual crop of one average coffee tree.

"Helping Build A Better Community"

Girl's Entry Into Society Is Planned

By GAY PAULEY
UPI Women's Editor
NEW YORK — Traditional, a girl's formal entrance into society is planned quietly from the day of her birth.

The ground work begins with the right name, the right social standing, the right school, the right dancing classes... and many competing among her friends to see that by the time daughter is 14 or 15 the preliminaries to her debut are firm.

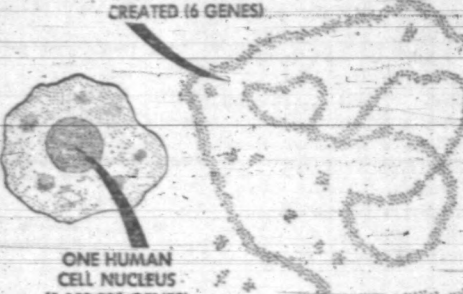

But tradition is changing, the social spectrum is broadening. Society is less old guard, less purely social register. Only a few nights ago, for instance, a West Coast beauty, the daughter of an Arabian-born immigrant, bowed in New York high-society circles.

one of the New York season's most spectacular coming-out parties. Sixty-two young ladies made their debuts, with Barbara Anne Eisenhower, granddaughter of the former President, leading off the ceremonies.

What About Seed Corn Your Co-Op Is Headquarters For Princeton Hybrids

Princeton SX-803

Princeton SX-804

SINGLE CROSS YELLOWS

One of the truly outstanding hybrids being produced today. Not only does it have a phenomenal yield record but it is an unusually attractive plant. It has a short stalk with a low uniform ear placement and stands exceptionally well. This hybrid will be available in limited quantities and rounds will be more plentiful than flats.

SX-804 has the over-all highest yield record of any hybrid we have ever tested. In a large independent corn test of forty of the better hybrids conducted in Southern Illinois in 1966, SX-804 had the top yield. It is a tall hybrid and should be planted early for best results.

The Single Cross Story

WHY PLANT A SINGLE CROSS?

This is the question asked by most farmers who have not tried a single cross or perhaps have tried it with unimpressive results.

GOOD SINGLE CROSSES have a higher yield potential than double crosses. During the 1966 season, Princeton Farms computed the average yield on all single crosses and double crosses in each of their test plots in all areas. Even under stress conditions where yields were as low as fifty bushels per acre, the average of the single cross yield was ten bushels more than the double cross yield. In some instances the difference was as much as twenty bushels per acre. The added cost of seed per acre is not great. An increase in yield of two to three bushels per acre in your corn crop will more than offset the increased seed cost. By all means, include some PRINCETON SINGLE CROSS in your 1968 cropping plans.

Princeton 8-A

Princeton 81-A

YELLOW DOUBLE CROSSES

One of the most popular and widely used hybrids in the area we serve. It has the strongest stalk and best root system we have ever observed. It has a wide range of adaptation, always doing an acceptable job under almost any set of conditions.

This hybrid is very similar in most respects to 8-A. It has the same vigorous stalk and deep reaching root system. It has capabilities of stretching the yield to the very maximum and can be planted at a somewhat higher population than 8-A. If you have not tried it, you should do so.

WHITE DOUBLE CROSSES

An extra early white hybrid which matures approximately ten days ahead of the medium maturing yellow varieties. The yield will be less than you would expect from a full season hybrid and we recommend using it only where a late planting is necessary or an early harvest is desired.

This is probably the most widely used white hybrid in the area we serve. It is rated as excellent in all respects, standing ability, disease resistance and yield. The ears are average length but unusually large in circumference and the deeper kernel gives you the shelled corn yield you are seeking. It is also preferred by many millers. This variety is also being offered this season in a slightly modified version labeled 990-B.

Indiana 501

Princeton 990-A

What About Yields In 1967?

SX-803	172 bushels per acre
SX-804	159 bushels per acre
8-A	124 bushels per acre
81-A	144 bushels per acre
990-A	145 bushels per acre

What About Prices In 1968?

— EARLY ORDERS CARRY \$1.00 PER BUSHEL DISCOUNT —

Ford LTD, XL, Country Squire...
for people who don't want to pay extra for disappearing headlamps.

Don't spend a cent until you've seen Ford LTD, XL and Country Squire. All three give you disappearing headlamps and die-cast grilles at no extra cost—the only cars in their class that do! Elegant outside. Elegant inside. Three of the quietest-riding Fords ever built. See the man with better ideas...your Ford Dealer.

FACTS ABOUT THE 1968 FORD

You'll find better ideas throughout the entire 21-car Ford line: Power-front disc brakes at no extra cost when you order power brakes. Ford's exclusive push-button tuning when you order AM radio/Stereo-Sonic tape & 2-way Magic Dodgegate on all seven Ford wagons. Choice of formal or fastback styling on Galaxie 500 2-Door Hardtops.

An optional automatic ride control system. And to top it all, you get one of the world's smoothest, quietest rides. Test-drive a Ford and see for yourself.

We always miss the snow and especially the friendly people of Murray, Kentucky.
I have the plow on my patio and show it off with pride. It was because of an ad in the Ledger and Times that I was lucky enough to obtain it.
Thanks a lot
Perry Grant
